

Trustees required to join our team!

We are looking for new Trustees to join our enthusiastic team to continue to develop the Chantry Community and Arts Centre as a fabulous resource for the local community.

Over the last few years the Trustees and staff have been executing a plan to greatly improve the quality of the facilities, operational efficiency and customer service at the Chantry. A huge amount has been achieved and we still have some way to go to achieve our ambitious goals.

We need Trustees who have skills and experience which is relevant to key functions we need to perform. Specifically, these are:

- Building improvement and maintenance
- Project management
- Financial management
- Business development and marketing
- Health and safety management

The role is voluntary and as a minimum involves attending monthly Trustees meetings as well as occasional special meetings. However, we particularly need applicants who would be keen and able to become more involved in projects and take active responsibility for specific elements of our improvement plans.

This is a great opportunity for anyone who wants to be at the heart of continuing to develop this wonderful, historic facility for the local community.

If you are interested in exploring the role further, please send an email, with a brief overview of your relevant skills to office@thechantry.org.uk
